

Rental Inspection Checklist

Before you finalize the deal, make sure that you inspect the home properly. Here is a checklist to assist you.

Check ceilings for mould growth, mildew or hidden cracks.

Open and close the doors to ensure that they are not jammed.

Ensure that the windows are in good condition and none of the glass is broken.

Open closets and cabinets to check whether they are commodious or not.

Check the appliances and make sure they are in working condition.

Do not forget to check all the lighting fixtures.

Visit during day as well as night time to inspect the house.
